Does A High School Education Pay?

Without the slightest equivocation or mental reservation, we say that the young man or young lady without a high school education is very badly handicapped. The high school course equips one with a highly utilitarian asset. It is said upon the best authority that 75 years ago there were not seven free public high schools west of the Hudson river. Now there are more than 7,000 high schools in the United States. Without the training that the high school gives, one is virtually shut out of the legal profession, ministry, journalism, medical practice and in fine, expert work of almost every character. One may say that there are too many studies of purely informational type; but deery informational study, as you may, it has its niche to fill and it is no small one. If we obliterate all informational and cleave only to that which prepares for making money, we are forced to advocate that almost pernicious doctrine that money counts for more than the man. This we are not willing to accept, even though its fangs are seen too often clutching the ambition-loving young man who courts place and power. Just as the elementary education fits one for good positions, so the high school fits one for better places and higher things; for he has the expanded mentality that guarantees a fuller enjoyment, wider knowledge and greater usefulness.

The financial return also is greater, for we must consider this in the light of the spirit of commercialism which pervades the age. While the monetary consideration is remarkably better, still do we affirm that the greatest returns are in the form of intensified comfort and joy of social and domestic life. An enlarged vision of subjects in general, a greater meaning of the best books, an augmented pleasure and enjoyment of sermons, lectures or plays; all become the valued possession of the high school graduate. To-day the metropolitan writers assume that their readers are familiar with literature, history and a multiplicity of subjects. They hold that the gentle reader is conversant with terms of art and science and possesses such a knowledge of general topics as will enable him to read, without limping, the best productions of facile pen. It is indeed gratifying to be able to appreciate the many valued phases of secondary scholarship and it is most pleasing to possess a working familiarity with terms and standards of high school or secondary education.

Some one will perhaps be constrained to say, "where does a living come in? That is a nice theory of enjoyment and pleasure to be derived from such education but some have fared just as well without it." Who is that person who will say: "I have gotten along just as well as if I had secured a good, high school education?" We will admit that there are those who by dint of energy and perseverance have gotten through admirably, but how much better would they have fared with the education? What a sacrifice is made when one is deprived of that which gives comfort to the toiler, enjoyment to the employer, luxury to men of business and an ever present help in time of trouble. The high school has then a great practical value in making better citizens, more sturdy and useful farmers and better housewives and mothers. It is the business of the high school to extend and strengthen the education of those who attend, not only in preparation for colleges but as a preparation for entrance into the practical and necessary duties of life. It is a lamentable fact that the greater per cent. of our pupils leave our graded schools before they finish in the high school department and we sincerely hope that stern necessity will be the only thing that will induce any one to quit the course before they have finished.

May each parent and guardian in the splendid county of Lincoln see the value and make every effort to keep all in school and thus give to their children that which none can filch from them and without which they are poor indeed.

J. W. IRELAND.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a falling appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by Penny's Drug Store.

The Henderson Journal has made an assignment.

PREACHERSVILLE.

T. W. Jones bought of J. J. Thompson three fat cows for \$160, also a lot hogs at 5c.

Mrs. N. J. Horton is some better. Mrs. Joseph Lunsford is able to go out driving. Willis Bell has shaken the dust of Indiana from his feet and returned to old Kentucky. John Blankenship, of Etowah, Tenn., is visiting his parents here.

Work is progressing nicely on the Preachersville and Drake's Creek turnpike extension under Brown & Ballard. A large force of hands is at work. This pike will be a great advantage, affording egress and ingress to a very productive farming district, the goodness of which has caused Mr. Levi Anderson to aptly name it "Canaan."

Rev. B. C. Horton has returned to his home at Newport. J. H. White and wife, of Dallas, Tex., visited their aunt, Mrs. Rebecca Pettus. Mrs. Lillie Horton and children, of Chesterfield, Ill., were guests of Mrs. Horton. Miss Flossie Sutton, of Lexington, is with her sister, Mrs. Mike Kennedy. Miss Ruth Durham visited her sister at Liberty and will visit relatives in the mountains before returning to her home at Omaha. William Jordan, of Williamsburg College, is visiting at Rev. Thomas Owens'. Christ Weyler, the good Swiss farmer of Drake's Creek, enjoyed a visit from his two sons-in-law. Each bears the name of James Shaw. One lives in Louisville and the other near White's Mill. Miss Kate Waters visited Miss Jennie Rogers and with the pupils of her school enjoyed a picnic on the river near Miss Rogers' home.

Under a new law we are to have our school election the first Saturday in August. A new trustee will be elected in each prescribed division or district, and under the new law will, with the Superintendent, constitute the board of education. This new law carried out to its full extent can not fail to be quite an improvement over the old system. This is an election where we should lose sight of all political prejudice and vote for the man who will be wide-awake and not afraid to do his duty, who will have the interests of the school at heart, and when his trusteeship shall expire, will have earned the plaudit, "well done." Our candidates are Jones L. Anderson and B. T. Lunsford. Both are good men. Mr. Lunsford has been trustee for a number of years and gave satisfaction. Mr. Anderson has never held any office, and only after much importunity on the part of his friends, did he consent to become a candidate. Knowing that he is well qualified we believe that if he is elected he will faithfully attend to the business. The white's school district and the colored district will vote here as the three districts are to have one trustee. Let every voter in each district come and vote Aug. 1.

IN NEIGHBORING COUNTIES.

The democrats of Harrodsburg will organize a Bryan and Kern Club. It is the intention to have a big demonstration and invite Bryan and Kern to be present and deliver addresses.

A dispatch from Columbia says: Miss Emma Beard aged 20, was dragged from her horse near here and criminally assaulted by two masked men. The girl is the daughter of Mr. and Mrs. Reach Beard, who live on Short Creek, between Milltown and Portland. Posses are searching for her assailants.

A New Orleans dispatch says: Drinking Mississippi river water discouraged three runaway boys from Pineville, Ky., and to-day they abandoned their globe-trotting tour in disgust, asking the police to send them home. Carl Hopkins, James Burchfield and William Drumham compose the tired-of-home trio. Robert Lowe or Rowe, another Pineville runaway, was dropped at Chattanooga.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere. Remember! Pain always means congestion, blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets—also called Pink Pain Tablets—quickly and safely coax this blood pressure away from the pain centers. Painful periods with women get instant relief. 20 Tablets 25c. Sold by Penny's Drug Store.

The residence of Ras Ware, one of Scott county's wealthiest and most prominent farmers, near Oxford, was struck by lightning and burned.

Rev. I. W. Williams, Huntington, W. Va., testifies as follows: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble, and am free to say that Foley's Kidney Remedy will do all that you claim for it. Stanford Drug Co."

"Health Coffee" is really the closest Coffee imitation ever yet produced. This clever Coffee Substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real Coffee is in it either. Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No. 20 or 30 minutes tedious boiling. The Lincoln County Fair A Great Success.

The most sanguine could not have wished for a more successful exhibition than the Lincoln County Fair was. Large crowds attended daily, the show of stock was the best in this section in years, the weather was good and everything was lovely. The success of the fair this year makes it certain that a greater effort will be made for an exhibition next year and that a more liberal premium list will be given. It will take some time to settle up the affairs of the association, but there is every reason to believe that a handsome dividend will be declared. Following are the awards of Friday, the last day:

Danville sent a big delegation to our fair each day. Our people should not forget that. Now begin to talk up and work up the fair for next year. We should have a crackerjack in 1909.

It was not a pony fair but some splendid ponies were shown and there were a number of rings of them. As usual Hon. J. M. Alverson won the premium in the fancy turnout ring. Miss Berta Jean Penny rode with him. They had a beautiful rig.

Sallie Twigg, the splendid two-year-old saddle filly belonging to T. B. Dunn, got kicked just as she stepped into the ring here, but she won second money notwithstanding.

The ring for the best stable of horses was the best ever seen at a country fair. There were 20 fine animals in the ring and each was a blue tie winner. T. H. Smiley took the blue and J. R. Beazley the red.

A Revelation.

It is a revelation to people, the severe cases of lung trouble that have been cured by Foley's Honey and Tar. It not only stops the cough but heals and strengthens the lungs. L. M. Ruggles, Reasnor, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bullet. Stanford Drug Co."

THE receiver of the Owensboro Savings Bank & Trust Co. sold \$140,285.02 in securities at auction and got only \$27,146 for them. Many of the securities were not even bid for, and were declared worthless, though the bank loaned great sums on them. It will be remembered that this was the bank that always opened with prayer, when all the employees had to get down on their knees. The pious set robbed the widow, the orphan and the poor. Beware of those who select the highest seats in the synagogue, which devour widows' houses and for a show make long prayers. The same shall receive greater damnation.

At the meeting of the Democratic National Committee in Chicago the following officials were chosen to have charge of the coming campaign: Norman E. Mack, New York, chairman of the National Committee; L. P. Hall, Nebraska, vice chairman; Urey Woodson, Kentucky, secretary; Gov. Charles N. Haskell, Oklahoma, treasurer; John T. Martin, Missouri, sergeant-at-arms. Henry Watterson was named to head the newspaper committee which will handle the publicity problems of the campaign.

FOLLOWERS of Timothy Woodruff in New York are said to be much disturbed at Gov. Hughes' announcement that he would accept a renomination. It is possible that the Republican machine will decide to defeat him and bring about a disastrous factional fight within the party.

JOHN MITCHELL, former president of the United Mine Workers of America, will stump Indiana for Bryan and Kern. He is a speaker of great force and logic and will also speak outside the State, but the bulk of his time will be spent in an effort to put Indiana in the Democratic column.

MR. BRYAN has retired from active work on the Commoner and will not be personally responsible for matter appearing in it during the present campaign. Charles W. Bryan will be the publisher and Richard L. Metcalfe the editor during the campaign.

THE Thoroughbred Record printed that Hon. W. J. Bryan sent Gov. Hughes, of New York, a congratulatory telegram on passing his anti-racing bill but Mr. Bryan says he has never sent Gov. Hughes a telegram on any subject. Which will you believe?

Gov. PATTERSON, of Tennessee, is seemingly trying to beat the pardon record of Ex-Gov. Robert L. Taylor. The executive gave 16 convicts their freedom one day last week. They were all Negroes and some of them very vicious ones.

Gov. CAMPBELL, of Texas, was renominated by a majority of nearly 100,000. A constitutional amendment permitting a vote on State-wide prohibition swept the State.

In 1906 Georgetown went wet by 18 votes. Friday it went the same way by only one vote. Who says that local option is not on gaining ground?

POLITICAL.

A Louisville man has posted \$1,000 at the Seelbach Hotel to be bet on Bryan and Kern at 1 to 4.

Auditor Frank P. James has appointed his niece, Miss Virginia Terhune, of Harrodsburg, as his private secretary and stenographer.

Gov. Hughes, of New York, issued a statement to the effect that if renominated for Governor he will accept and stand for re-election.

Gov. C. N. Haskell, of Oklahoma, has been tendered the treasurership of the National Democratic Committee and he has accepted the honor.

William Randolph Hearst, who arrived from Europe Saturday, said he would not accept the nomination for the presidency on the Independence League ticket.

Gov. John A. Johnson, of Minnesota, has received a letter from W. J. Bryan asking him to meet Mr. Bryan at Fairview, Lincoln, Neb., at the earliest possible date to confer relative to the presidential campaign.

T. M. Cleary, temporary chairman of the Wisconsin Democratic State Convention, delivered his speech just after learning of his mother's death, and it was not until he had finished that the delegates knew of his bereavement.

William L. Douglas, who has been prominently mentioned in connection with the chairmanship of the Democratic National Committee, said that he was out of politics and would not accept the place if it was offered to him.

When asked if he would make speeches for Taft and Sherman, Senator W. O. Bradley replied: "I certainly will. I expect to do everything I can in the interest of the National ticket. I am a republican from principle and believe that the best interests of the country demand the election of Taft."

Republican politicians are impatiently awaiting to see what attitude Judge Taft will take on the injunction question in his speech of acceptance. That he will make an effort to counteract the animosity of the labor union leaders, aroused by his now noted injunction opinion, is generally believed.

Judge William H. Taft arrived at Cincinnati Saturday, where he will remain until the official notification exercises to-day. Elaborate plans have been made for the event, and many delegations from other cities and States will be present. Senator Foraker was among those who declined an invitation to be present.

There is some doubt whether J. R. Cook, of Somerset, who has been appointed by Clerk of the Court of Appeals Napier Adams as deputy clerk, will accept the position. He is quoted as saying that he did not feel that he could give up his business interests in Somerset. The deputy clerkship pays \$200 a month and is still being held by W. B. O'Connell, who was deputy under Clerk Morgan Chinn.

After two months of anxiety, hope, prayer and turning snakes on their backs, about an inch of rain-fall blessed the parched pastures and dusty corn-fields and gardens last week and we may yet be happy.

Just 24 hours after the burglarizing of Matt Lloyd's store at Burnside on Sunday night, Lair and his bloodhounds arrived on the scene. The trail was quickly taken and followed across valleys, cliffs and creeks for 15 miles to a cabin where Abe Jones, Charles and Clarence Gibson, all white, were found, together with the goods. The officers who followed the hounds arrested and lodged the parties in jail. They speak in highest terms of the dogs' work on such a cold trail.

Weak Kidneys

Weak Kidneys, surely point to weak kidneys. Nerves, and their weakness, not in the organ itself, but in the nerves that control and guide and strengthen it. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well. If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

FOR SALE.—My splendidly improved farm of 180 acres. One of the best farms in the county. On Hustonville pike three miles from Stanford. Call on or phone me. A. J. Rice, Stanford, Ky.

KIRBY.—Kirk Kirby, of Lancaster, died in Louisville Sunday following an operation for fistula. He was a grandson of the late Squire Kinnaird. Mr. Kirby had been in bad health for several years.

IN our old home county in Virginia grazing must be pretty short for lawyers. An exchange published at Ashland says that the July term lasted only two days and that the grand jury returned but five indictments.

TO MAMMOTH CAVE.—Lincoln county excursion to Mammoth Cave July 30th on regular train. Leave Crab Orchard 4:15 A. M., Rowland 4:32 A. M., Stanford 4:35 A. M. All expenses \$9.35—includes railroad fare, board at cave hotel and both routes through the cave.

IT is the rarest thing that an arrest is made in Lancaster, which goes to show what enforcement of the law brings about. Towns suffering from blind tigers would do well to emulate the plan adopted in Lancaster—get officers to do their duty.—Lancaster Record.

WHILE driving on East Main street Sunday afternoon the buggy George Ely and Misses Gooch and Akin were in broke down, throwing the occupants out with much force. Mr. Ely sustained three broken ribs but the young ladies were more fortunate, they receiving only a few slight bruises.

SHEEP MONEY.—County Clerk Geo. B. Cooper has received from Auditor James a check for \$1,116 to pay the farmers for sheep killed by dogs last year. Mr. Cooper will disburse the money at once but only those whose claims were allowed in October will come in for a share of the above check.

ANOTHER BURGLARY.—In our Friday's paper we told of an effort to burglarize Penny's Drug Store. On the night following Sam Robinson's clothing and gents' furnishing store was entered but if the rascals got anything Mr. Robinson has not been able to find what it is. Entrance was effected by prizing open the bars over the rear window.

LOOK at your label, which you will find on the first page of this paper. It shows when your subscription was, or will be due. If you are in arrears, call at this office at once or send us the money. The postoffice authorities insist that papers must be paid for or they will not be allowed to go through the mails. Look at your label now.

FLOWERS.—John W. Flowers, who married Miss Maggie Owsley, daughter of Mrs. H. J. Darst, of Rowland, died in Louisville Saturday and was buried there Sunday. He is survived by his wife and five children. He was a member of Ryan Commandery, Knights Templar, a Woodman of the World, a member of the Knights and Ladies of Security and a Mose Green.

WHILE at the Crab Orchard fair on last Friday, we had the pleasure of chatting for some time, with our good friend, J. C. Hayes, a former Rockcastleite, but now one of the well-to-do and progressive farmers of Lincoln. Mr. Hayes is a candidate for jailer of that county, subject to the Democratic primary and every indication points to the fact that, he will prove himself a pretty lively racer. He is strictly for Mr. Robert Coffey, for the short term, since Mr. Coffey is making the race in the interest of Mrs. Herrin, whose husband died only a few weeks ago and who had been elected to fill the office for four years. Mr. Hayes speaking of the short term said: "I am for Robert Coffey for jailer, against anyone who might enter the race. Mr. Herrin was elected to fill the office for four years and I believe that the emoluments of the office should go to his widow for the remainder of the term." Lincoln has honored several men who have gone from Rockcastle and has never found cause to regret having done so, and with J. C. Hayes as it was with Isaac Herrin and Bob Jones, would always be found a true and faithful officer.—Mt. Vernon Signal.

THE work of restoring the Boone monument in the Frankfort cemetery has been commenced.

Omer Hughes, of Maysville, went bathing with a party of 13. He was drowned.

Mrs. Corinne Scott Chinn, one of the oldest residents of Shelbyville, is dead.

John B. Coffey, of Columbia, bought of L. D. Baker, of Springfield, a high-acting 3-year-old mare for \$400. The deal was made at the fair grounds Friday.

James B. Haggins, of Lexington, announced in an interview that he would quit the breeding of thoroughbred horses because of the recent adverse legislation.

LANCASTER COURT.—A fairly good crowd attended Lancaster court yesterday, but business generally was very dull. There were no cattle to speak of on the market and few mules and horses changed hands.

Smith T. Powell's three-year-old filly by Dignity Dare, and a full sister to Almont Dare, attracted much attention at the fair here. She was shown by Mack Hughes, of Danville, and he got several strings on her. Mr. Powell refused two offers for this splendid animal a few weeks ago—one of \$600 and another of \$700.

The Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing others promise but fail to perform," says Mrs. E. R. Pierson, of Auburn Centre, Pa.

"It is curing me of throat and lung trouble of long standing, that other treatments relieved only temporarily. New Discovery is doing me so much good that I feel confident its continued use for a reasonable length of time will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold at Penny's Drug Store, 50c and \$1. Trial bottle free.

The editor of the State Journal did for the late editor of the Somerset Journal yesterday what sooner or later must be done for us all—helped to lay him away in the beautiful cemetery at Lexington. It was to us a sad occasion. One of the first men we met on coming to Kentucky in the early '70s was Mr. F. J. Campbell. A friendship soon sprang up between us which lasted uninterruptedly and grew stronger in the long years that intervened. Strong of conviction, wise of counsel, a just and a generous man, our dead brother of the pen wielded an influence for good that will live long after his body moulders into clay. May his rest be sweet, till he bids him arise to meet Him in gladness, ascending the skies.—Frankfort Journal.

It Can't Be Beat.

The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it is the best of all medicines; also for weakness, lame back and all run down conditions. Best too for chills and malaria. Sold under guarantee at Penny's Drug Store, 50c.

A man in a neighboring town who took a city paper in preference to his county paper because he got more paper for the money, was attracted by the advertisement of a fire escape which would be forwarded on receipt of \$2. He sent the cash and in a few days received a copy of the New Testament.

Best The World Affords.

"It gives me unbounded pleasure to recommend Bucklen's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced its the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25c at Penny's Drug Store."

Five car-loads of peaches were wrecked near Friendsville the other night. A broken flange caused the wreck.
